QUALIFICATION FOR APPRENTICESHIP

The JATC will make applications available from **9:00 AM to 2:00 PM Monday through Friday, except on holidays**, at the address listed above. An individual who can show that they meet the conditions listed below, after making application for apprenticeship, will be afforded an oral interview by the JATC. If interviewed, the applicant will be listed among those applicants qualified for selection, for a period of two (2) calendar years from the date of interview.

TO BE INTERVIEWED THE APPLICANT MUST:

- A. Complete an application form, accurately responding to all questions and items including statements.
- B. Be a minimum of 17 years of age. Prior to being indentured, applicants selected from the pool of interviewed applicants must be a least 18 years of age.
- C. Show evidence of successful completion of: one full credit of high school basic algebra with a passing grade (C or higher), or one post high school algebra course (e.g. Adult Education, Continuing Education, Community College, etc.) with a passing grade, or provide evidence of having successfully completed the NJATC Math Course.
- D. Be at least a high school graduate, or have a GED.
- E. Provide an official transcript(s) for high school and post high school education and training. All GED records must be submitted if applicable.
- F. Submit a DD-214 to verify military training and/or experience if they are a veteran and wish to receive consideration for such training/experience.
- G. Qualify for interview using the Electrical Trade's aptitude test developed and validated by the American Institutes for Research.
- H. Present evidence that they possess a valid driver's license.
- I. Individuals who can verify (by providing indisputable documenting evidence) that they have worked a minimum of 4000 hours, specifically in the electrical construction trade, do not need to meet the requirements of Items C and D.
- J. Individuals who can verify (by providing indisputable documenting evidence) that they have a minimum of two (2) years of military training and experience in a Military Occupational Specialty (MOS) applicable to the electrical construction trade (as determined by the JATC), do not need to meet the requirements of Items C and D.
- K. Prior to being indentured, ALL applicants given a conditional offer of employment as an apprentice are required to take a physical and drug test.
